FURNITURE

Our Story

[our story](#)

West Bros Furniture, located in Ontario, Canada, has been producing meticulously crafted high quality, sustainable solid wood furniture in North America for over two decades. The company remains family owned and operated, serving over 200 furniture retailers worldwide. West Bros is also a member and “Silver Exemplary Status” award winner of the Sustainable Furnishings Council, the furniture industry’s leading coalition of manufacturers, retailers, and consumers who promote sustainable practices. The company’s product line includes bedroom, dining room, work space and occasional pieces for the residential and commercial markets.
